

# Pavese's Perspective

## NEW PRODUCT!!!

### Jan Marini introduces *Age Intervention Masses of Lashes*. The First High Performance Mascara.

Breakthrough Product Combines the Conditioning Agents of Age Intervention Eyelash Conditioner with a Luxurious Mascara. This new "*wonder*" mascara is formulated with the same technology contained in Jan Marini's Age Intervention Eyelash Conditioner, along with superb conditioning agents. It is designed to beautifully complement, enhance and intensify results from Age Intervention Eyelash Conditioner. *Masses of Lashes Performance Mascara* is a true "dream" mascara. The formula is absolutely smudgeproof, intensely black, and provides a gloriously full, flirty, lush lash fringe. It makes a great stocking stuffer!

*Special \$295*

**Biomedic LHA Peel Package** includes 3 LHA In-Office Peels with a Pre and Post kit. Biomedic LHA Peels are for dull, uneven complexion, fine lines, hyperpigmentation, and skin imperfections. Your skin will be radiant with a beautiful glow! Perfect for the holidays. No other promotions or discounts apply.

## *Too Much "Fun in the Sun" This Summer?*

Reverse the damage of the sun with **IPL Fotofacial**. **Photorejuvenation with IPL** is the most versatile of all treatment options. Patients often schedule appointments during their lunch hours. IPL can treat numerous skin conditions at once. It is effective on red blemishes that originate from blood vessels, as well as brown pigment blemishes in the form of freckles, age spots and other sun damage. IPL also treats the neck, chest and hands, where sun damage is often most visible.

We want to congratulate **Jennifer** on winning the grand prize from our **October** event. Enjoy!!!

## fun tidbit

The fast demand for plastic surgery is attracting many new practitioners. **Trap:** In most states, it's legal for any MD to perform plastic surgery- including those who have been trained in a different field and who have no experience with it. **Safety:** Check out the doctor's credentials before committing to a procedure. Verify the doctor's certifications through the web site of American Medical Board, [www.bomex.org](http://www.bomex.org).
